

Land of Enchantment Guides at the Bar X Bar Ranch *Half & Full Day Guided Fly Fishing Trips for Groups*

The Bar X Bar Ranch offers anglers a wild and private fishing location at the southern tip of the Rockies, within less than an hour drive from the plaza in Santa Fe. Located east of the city surrounded by the Santa Fe National Forest, this 5,000 acre private ranch has incredible fishing in a beautiful high alpine setting, with lots of wildlife to be seen as an added bonus. There are five lakes situated throughout the length of the 600 acre Manzanares Valley. The lakes are full of large, hungry trout that are easy to catch. Because these lakes are in the valley's meadows, both the fishing and access is easy, making the Bar X Bar Ranch a great destination for both novice and skilled anglers. This is the perfect spot for a group to get out into wild and rural New Mexico without having to drive off the end of the map. A fly fishing trip at the Bar X Bar ranch with Land of Enchantment Guides - what a wonderful way to relax, have some fun and catch some beautiful trout!

Land of Enchantment Guides does both half-day and full day trips at the Bar X Bar Ranch. Half-day trips are typically 6 to 7± hours from pick-up to drop-off; full day trips are typically 8 to 9± hours from pick-up to drop-off. Fishing gear is provided (waders, wading boots and rods & reels if you need them, along with all flies, leaders and tippet material) for all of our guided trips. Transportation to and from the ranch, from most locations in the Santa Fe area, can usually be arranged and is also included at no additional cost. Fishing licenses are not required to fish at the Bar X Bar Ranch. Indoor bathrooms are available in the lodge building.

Drinks and snacks are provided for all of our trips at the Bar X Bar. We also offer the option of having a meal prepared for your group by the ranch cooks and staff. This is a wonderful way to have a great lunch or dinner while taking in the ranch's beautiful scenery. Meals are served either outside or in the lodge, depending on the weather conditions. Two menu options are available. Please check the following pages for more information, pricing and photos.

Typically it will be one guide for every three anglers but, depending on group size and the angler's skill level, we may shift the guide to angler ratio to suit an individual angler's specific needs. Meals can be scheduled as either a lunch or an early dinner.

“Tony and I wanted to let you know how much we enjoyed our day with your guides. They were very patient with us and we learned a great deal about fly fishing. Even better was that we caught a lot of fish! I am so pleased that you were recommended through our resort. We couldn’t have asked for a better experience. My husband thought the setting at the Bar X Bar Ranch was absolutely perfect. Thank you again.”
